## Health for the Children

Every parent notes with anxious eye the first symptoms of the children's failing health: the pale cheek, listless manner and capricious appetite speak more plainly than any words, for the well child is a veritable storage battery of animal spirits.

Renewing the appetite is the first step back to health and

given faithfully for a short time will do it. The children need not even know it is a medicine for the taste is very pleasant and does not suggest cod liver oil in the least. But the effect is certain.

For persons of every age Stearns' Wine of Cod Liver Extract is an unfailing tonic, appetizer and strength renewer. Get it at your chemist's, and be sure you get STEARNS'—the genuine.

## Osteopathy

is a method of treating sickness without the use of drugs, by expert mechanical engineering of the diseased parts. It asserts that the entire body will perform its natural functions, if mechanical freedom to act is given to its muscles, blood vessels, nerves and flow of vital fluids.

James Burns, formerly lieutenant and engineer officer in the revenue cutter service, has made sweeping charges which have been filed with the Secretary of the Treasury to the effect that the service is not properly equipped to carry on the work of life saving; that officers have frequently refused to move to the rescue of sinking ships until ordered to do so from Washington; and finally that the work of protecting the seals in Alaska is practically nothing but the protection of the business of the Alaska Commercial Company, a private corporation. Burns charges that at the time of the wreck of the Valencia in 1906 there were three revenue cutters within a radius of two hundred miles whose officers waited three days for orders before going to the aid of the stricken ship, and that at the time of the San Francisco disaster that the captain of the cutter McCulloch refused to participate in rescue work because he was not recognized by the naval officers in command of the harbor. The charges will be investigated.

## Truth and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.
